The image shows a mobile application interface on an iPad. At the top, the status bar displays 'iPad', signal strength, and the time '11:34 PM'. The app's header includes the logo 'Hospital ZDRAYO' and the tagline 'A leader in...'. A user notification at the top right states 'You are signed in as: ena Akik' next to a hamburger menu icon. A vertical sidebar on the left contains six navigation items: 'Home' (house icon), 'Calendar' (calendar icon), 'Notifications' (bell icon), 'Medicines' (flask icon), 'Verification' (checkmark icon), and 'Absence request' (pencil icon). The 'Medicines' section is selected, showing a table with columns: Name, Type, ID, Supplier, Amount, In use, and Ingredients. The table lists medicines like 'Aspirin', 'Tyrosur', 'YURINE', and 'Trachisa'. A modal window titled 'Edit medicine - MEDICINES\_NAME' is open in the center. It has a close button (X) in the top right. The modal contains form fields for 'Name' (with a hint 'Change name of medicine'), 'Type' (with a hint 'Current medicine type' and a lock icon), 'ID' (with a hint 'Current medicine ID' and a lock icon), 'Supplier' (with a hint 'Change medicine supplier'), 'Amount' (with a hint 'Current available amount of medicine' and a lock icon), 'In use' (with a hint 'Is medicine in use or not' and a lock icon), and 'Ingredients' (with a hint 'Change ingredients of medicine'). At the bottom of the modal are two buttons: a green 'Save changes' button and a red 'Cancel' button.
